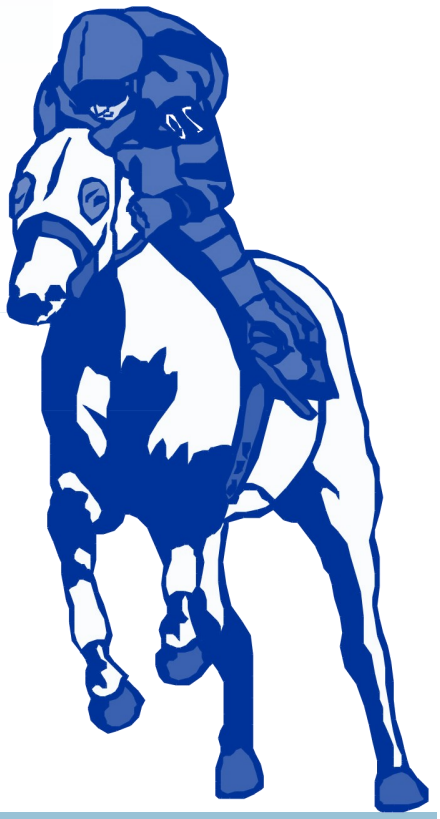
OCH Has Traveled!

On May 30th the residents took a trip to Harpers in Newfane for lunch! The crew had such a great time and are extremely appreciative of all the contributors that allowed OCH to procure the Van!

The residents will continue to attend community events, enjoy outings, participate in shopping excursions and make specific medical appointments. Thank you to the Lyndonville Foundation, Orleans Community Health Foundation and the Community at Large!



145th Kentucky Derby Winnings Donated to North Wing

An anonymous donor won $125.50 from betting on the 145th Kentucky Derby and donated their winnings to our very own North Wing. We are grateful for their generosity!

OCH Goes to the Strawberry Festival!

The Community Partners team was at the Annual Albion Strawberry Festival on Friday June 7th and Saturday June 8th promoting our services and all that OCH offers the community!

" CURE sometimes, TREAT often, COMFORT always." -Hippocrates

OCH Celebrates Hospital Week

National Hospital Week celebrates hope and healing, and the hospitals, health systems, and the women and men who support the health and well-being of their communities through dedication and care from the heart.

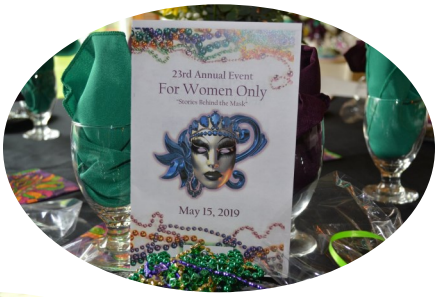
The OCH Staff & Residents celebrated with a 70's flare!

Notable Achievements

- North Wing has achieved a four star rating with the New York State Department of Health and is the only nursing home in Orleans County, at this time, with a four star rating.
- Oshei Children's Hospital recently conducted a Pediatric Mock Code and Education in the Emergency Department and gave very good feedback for the performance of our hospital. They commended our ED for the supply stock and capabilities of the staff in the case of pediatric emergency.
- Ms. Wodo's son recently graduated from the University of Rochester as a Pediatric Nurse Practitioner.
- Ashlee Crawford, a pharmacy staff member, recently had a baby and both are doing well.

For Women Only

The 2019 For Women Only event was again a HUGE success. Our keynote speaker, Mercedes Wilson, was an incredibly inspirational speaker!



Thank you to all of our supporters: Major Sponsor - Rochester Regional Health, Gift Sponsor - Radiology Solutions Associates, Table Sponsors, White Birch, Donors and all of our participants and volunteers.

All of the funds raised go towards the Cancer Services Program of Orleans County helping those obtain the appropriate cancer screenings as well as assisting those dealing with cancer, right here in Orleans County.

Upcoming Health Awareness

July, August & September 2019

- ◊ Cord Blood (July 1-31)
